ProfessionalSM

Gary D. Sheely

Author, speaker and executive coach, turns his personal growth expertise to help his audiences avoid financial self-sabotage.

Building Wealth and Security on Any Income provides information and motivation to begin making smart money decisions right now.

“Building Wealth and Security on Any Income”

This program is designed to instill attitudes, strategies and information to couples and individuals from their 20's to 40's who want to start now to build long-term wealth.

Participants will be equipped to:

- Identify and adopt the attitudes that facilitate the building of long-term wealth
- Set reachable financial goals
- Recognize the “Big 3” challenges to financial security
- Understand the fantastic power of small things and compounded interest
- Discern and overcome the sometimes irrational motivations behind their spending habits
- Track their expenses and gain full control over their money
- Understand and interpret their credit report
- Match their needs to the financial instruments available to them

Delivery Options

half-day workshop
full day workshop

What People are Saying...

“The audience was electrified, energized and ready to set goals for themselves. A clear, concise and down-to-earth delivery crossed cultural barriers and made it easy to grasp the bigger picture. People were talking about the program for weeks after.”
